

JONATHAN

I'd rather focus on our pitch...

GUILLAUME

Damn't Jonny, we are engaged and you are acting like we are a couple closeted kids afraid we'll get kicked out of our houses. We should be able to tell anyone we want, including your mom.

JONATHAN

What about your mom? Weren't you afraid to tell her at first?

GUILLAUME

My mom? Olga Lopez? The woman who took me to my first Gaga concert...in hot pants? No, Jonathan, I was not. She is an immigrant from Mexico who named her son Guillaume for christ's sake...

JONATHAN

(Visibly stressed. Beat.) All I want is for us to get this Netflix deal, we do that we are set, we can travel, you can work on your book...

GUILLAUME

I work on it everyday, we don't have to wait anymore. We are engaged Jonny, that isn't something you do only for the good days...it's for every day...Isn't that what you want?

JONATHAN

I do. (Beat.) Ok, give me one last pitch, we get something for Gary to sell to Netflix and...I promise, we'll go see my mom...together.

GUILLAUME

Ok! Um...(Beat.) Um...Pirates!

JONATHAN

Pirates?
