

LEE

Oh! You guys should do a Game of Thrones thing! Like kill off the hero right away. Freak everyone out!

GARY, GUILLAUME AND JONATHAN

*(Stare skeptically at LEE. Silence.)*

LEE

Or not, it's cool.

GARY

Lee how about you go get me a macchiato. (LEE exits.) Look guys, just get me something good for the meeting ok? (GARY exits.)

JONATHAN

*(Shakes head, starts typing.)*

GUILLAUME

*(Thinks.)* Maybe Lee was on to something.

JONATHAN

Game of Thrones? It's too soon.

GUILLAUME

No, we just borrow that idea, put into another world...ooh, maybe instead of an impressive Eddard Stark kinda guy, we have the main character just be a regular joe and the audience will identify with him and...

JONATHAN

And...?

GUILLAUME

And we kill him!

JONATHAN

Ok, ok, maybe, just an average guy, like...

GUILLAUME

Like Gary!
