

CAM

No, you're just trying to get in my head. You're Scared. I won't have time for you anymore. You'll have no one to mess with or torment all the time.

JOSEPH

Cam, I'm not the jealous type. I can share.

CAM

(sighs) Another stupid, fucking joke.

JOSEPH

(Hurt) My "stupid fucking jokes" are what help you get through your pathetic fucking day. I say the shit you can't! I'm the one constantly in your ear trying to help you realize your faults. We both know who the Fuck you are. All I've ever done is try to be there for you and help you, but you continue to push me away! But you sure do bring that other asshole into your life so easily. Sharing every secret with him, thinking he is really your friend. That's why your ass mopes around here in your fucking depressing ass state, he doesn't help you. He makes things worse that's why I'm here, isn't it? His advice wasn't working for you?

CAM

Joseph... He is my friend. He just wants what is best for me.

JOSEPH

I want what's best for you! (pause) Cam, let me help you.

CAM

You don't know what I want. You think I want your help? You're the problem! I'm getting rid of you this time! (tries to take pills)

JOSEPH

You and I both know that's not true. Why else would I still be here?

(Cam hesitates. He puts the pills away and tries to exit; Joseph stops him)

JOSEPH

Cam, no one knows you better than I do. All I want is to *stay here* and help you.

(keys are heard at the door. Robert Enters with a smile)

ROBERT

Hey! Whats up?

JOSEPH

Look who has arrived.

(Robert heads to cam, Joseph matches Roberts pace and Walks backwards in front of Robert, while flipping him off. Cam laughs in amusement.)

ROBERT

You're looking all nice today. What's the occasion?

JOSEPH

He's winning the Nobel prize.

CAM

Actually... I'm going out with a girl today.

ROBERT

What! My boy is growing up! The last time you asked a girl out, when was that?

CAM

I think it was when we were in Mrs. Puertio's class.

ROBERT

10th grade! That was so long ago, I almost forgot about it.

CAM

Yeah, it was pretty, long ago.

ROBERT

Damn that's right. So, who is it? Do I know Her?

CAM

Well uh...

ROBERT

I do, don't I? Let me guess, is it that chick from our Bio Class?

JOSEPH

Oooo... You mean the one with the big tits!

CAM

No not her.

ROBERT

(Pondering) Then who is it?

CAM

It's Michelle.

ROBERT

(Surprised) Michelle? I thought you were over her a long time ago.

CAM

Well I tried but... I think there is a connection there. When she just looks at me, it's...it's like her eyes are piercing into my soul and like a magnet I'm being pulled to her. I know she feels it too and I don't want to give up on her.

ROBERT

Well, uh, I hope things work out for you. (pause) If they don't
