Per tracks, we recommend downloading or screen recording your music to your device prior to your audition, as to avoid any potential wifi connectivity issues.

**The Callbacks:** Callbacks provide our creative team with the opportunity to see an actors' abilities and versatility when applied to this production. The callbacks will be split into three sections; a **singing** portion, a **dancing** portion and an **acting** portion. As we will be asking many things of you, please dress in whatever you're most comfortable in and be prepared for movement! Some actors *may* be let go before the end of callbacks. However, early dismissal does not affect any actors' chance of being cast.
